

Lenten Adventures with Flat Jesus

During the rest of Lent, take Flat Jesus with you during the day. Let Flat Jesus be a reminder of the presence of Jesus everywhere we go. This also is a good reminder to help others encounter God, too!

1. Color and decorate your Flat Jesus. Then cut him out.
2. Take Flat Jesus with you, and take some photographs to share.
3. Talk with your family about what you and Flat Jesus experienced.
4. Post your photos with a brief description of your adventure on Facebook or Instagram with #WPCFlatJesus or email your photos to Lynn George at Lgeorge@westminsterpc.org.
5. Let's show that Jesus is always with us!
