Serving at the Crossroads

In Honor of: _____

Given by: _____

SATC provides medicine and supplies, and coordinates medical brigades from the U.S. to serve at the clinic. Working with a local clinic, Manos Amigas, SATC opened a 10,000 square foot state-of-the-art clinic in July 2010 on a main highway outside La Entrada. With mentoring from SATC, the clinic staff and Manos Amigas directors have taken ownership of the clinic and manage day-to-day operations to provide help to those who cannot afford healthcare. .servingatthecrossroads.org
